Dave and Jerry,

These pictures were almost brown and it was the very bright and sunny, as the film and slide show.

Wgarever else cold be of intere t can ot even be made out. Not even the shirt collar.

And you have to look hard to make JFK outbut then you see nothing. What Isaw on theslide and told you about did notexist in those picture I returned with this letter.

If and when I hear more I'll tell you.
